

COME AND EXPERIENCE CONCEPCIÓN

Around 500 Kilometers south of the capital of Chile lies the city of Concepcion, known for its university outdoor activities, cultural diversity and bohemian life style. This small city becomes the perfect alternative for an academic exchange.

Surrounded by nature, mountains, beaches, lagoons and one of the longest rivers in the country, Concepción is a city full of sights and unforgettable landscapes to visit.

The downtown is characterized by its endless shopping arcades where time seems to have stopped in the 60's, as trades of yesteryear still manage to survive over the years.

Taking a walk through "Barrio Universitario", admiring the colors of "La Presencia de América" painted by Mexican artist Jorge González, witnessing a sunset and the panoramic view of the city in "Cerro Caracol" or enjoying the green environment in "Parque Ecuador" are some of the activities you can do just 5 minutes away from downtown, and that will make you fall in love with "Conce".

Enjoy the delights that our shore has, at short distances from where you live. Discover the vast gastronomic offer that the many beaches surrounding Concepción have to offer. You can also take a boat ride by "Dichato" bay, visit the sea lions in "Talcahuano" or walk around the beautiful beaches of "Tomé".

Finally you cannot miss "Plaza Perú", a meeting place where you can listen to live music from street performers, have a drink and enjoy the university environment of Concepcion.

Culture, history, nature, whatever your interests are, Concepción is full of surprises.

¡Come to visit, we'll be waiting for you!
