¿Quiénes son?

-**Don Tapscott** can see the future coming, identifying the new concepts we need to understand in a world transformed by the Internet.

-An advocate of human-computer symbiosis, **Shyam Sankar** looks for clues in big and disparate data sets.

-**Robyn Meredith** reports on the Asia-Pacific region for Bloomberg TV and writes brilliantly about China's changing place in the world.

-**Jason Silva** makes viral videos about philosophy.

-**Raghu Dixit** plays a unique, rousing blend of Indian and Western influences.

-What will 21st-century security look like? US Navy Admiral **James Stavridis** suggests that dialogue and openness will be the game-changers.

¿Quién es TED?- **TED** es una organización sin ánimo de lucro dedicada a las "Ideas dignas de difundir", sus dos conferencias anuales cubren un amplio espectro de temas que incluyen ciencias, arte y diseño, política, educación, cultura, negocios, asuntos globales, tecnología y desarrollo, y entretenimiento.
